

On 21st June, at the Dublin Convention Centre, the Ireland China Business Association hosted a delegation from the China Council for the Promotion of International Trade Dalian Sub-council (CCPIT).

CCPIT Dalian was established in 1964. It is a non-profitable organisation and its mission includes promotion of international trade, investment and economic cooperation.

We welcomed Mr Jiang Shien, Deputy Inspector Secretary General of CCPIT Dalian, Ms Jin Yanli, Director of Convention and Exhibition Department of CCPIT Dalian, Ms Yang Hong, General Manager of Exhibition Company of CCOIC Dalian and Ms Xiao Ying, Interpreter.

The delegation came to Ireland with the primary aim of seeking cooperation in the convention and exhibition industry and learning about the main exhibitions held in Ireland every year for the benefit of their members. As well as this, CCPIT Dalian also wished to establish a friendly and cooperative relationship with the ICBA with the signing of an MoU.

We wish to thank Mr Paul Carnell, Sales Director and Ms Adrienne Clarke, Head of Conference Sales of the Dublin Convention Centre for accommodating the ICBA and our visiting delegation. With the extensive tour and presentation provided to us, the CCPIT Dalian delegation were made aware of the fantastic opportunities Ireland has to offer in the convention and exhibition industry.
